*Serving Veterans, their Families and their Communities*

## Community Service

*by Dept. Chairman  
Mary Jo Stier*

When you think of community service, what comes to mind: volunteering at your local school, helping with a food drive, etc.? If so, you are on the right track. Community service is all of those things plus much more. Many of us donated our time, talents and money but do we remember to incorporate the American Legion Auxiliary? What a wonderful opportunity to show people who we are and what we stand for.

The Community Service Program promotes the American Legion Auxiliary's visibility within our localities through our commitment to community, state and nation. By being visible in our localities, the Community Service Program demonstrates who we are, what we do and why we matter.

The first thing to remember is to make yourself visible. While volunteering, wear some form of identification showing you are a member of the American Legion Auxiliary. You can do this wearing your Auxiliary shirt, a pin, an emblem, etc.

Community service comes in all types and activities. Here are just a few:

- Organizing a food drive
- Volunteering at your local school
- Representing the Auxiliary as a member of local community boards and committees
- Serving on various committees
- Volunteering to deliver meals on wheels
- Attending and represent the Auxiliary at special celebration events in the community
- Coordinating a blood drive

**Remember to keep track of all of your community service hours and contributions and submit them in your unit report.**

## A Word from the President

*by Melanie Martens, Department President*

As I am writing, we have just returned from Midwinter. The weekend was a great success! I was so glad to spend time with so many of you! There were 121 ladies in attendance, what a wonderful turnout!

We had awesome workshops and meetings, and special our guest, Virginia Nelsen, NW Division National President delivered a great message from National President Mary Davis. It was a very inspirational, informative talk and she installed all of us as official members of the "elite" Fat Cat Volunteer society. It was our pleasure to have her with us for the conference. The Fashion Show for our Auxiliary Banquet was a big hit, we had 26+ models dressed in attire from every period in our history! It was fun to see all the different eras and hear about the history of our Auxiliary's accomplishments. Knowing what has been done in the past give us inspiration to celebrate our future. During the Midwinter awards presentation, it was my honor to be able to present the President's "RED" membership award along with Membership Chairman, Barb Vetter, to 25 units who made or exceeded their goal before or by Midwinter! What an awesome achievement, great team work! I can't wait to present more membership awards at State Convention.

I want to thank the Chamberlain Unit #3 for the great job they did setting up the conference. A huge "Thank You" to the workshop presenters, Sue Frantzic, Linda Rae Placek, Barb Vetter and Denise Parker. Thanks Theresa Maeschen for being so willing to help out on such short notice. A special "Thank You" goes to our luncheon speaker, Lisa Shannon, Mrs. South Dakota International 2017. A heartfelt "Thank You" to Sharon Teunissen and the Juniors; they did a fantastic job of decorating and participating throughout the entire conference. Also, I want to thank Micheline Nelson and Sue Frantzic for judging the Senior Poppy Contest and to Rose Kraft, Irene Hovorka, Joyce Smith, Sue Carlson, Judy Lindhorst and Evelyn Huntimer for taking care of the Silent Auction. The auction netted \$1785.00 that will go to my President's project. When Auxiliary ladies work together, wonderful things happen. GO TEAM SOUTH DAKOTA!

March is a very busy month, beginning with the American Legion Birthday on the 15<sup>th</sup>. Celebrate their success by doing something special; let them know how much we appreciate what they do for our children and youth, our veterans and veterans' families!

Have you selected your Unit Legionette? Nominees are due to District Presidents by March 15<sup>th</sup>. This is such a special recognition, I hope your unit has taken the time to recognize one of your dedicated, hardworking members with this honor.

I will be attending the Washington, DC Conference February 25<sup>th</sup> thru March 1<sup>st</sup>. I am looking forward to gaining lots of information that I can bring back to South Dakota and share with my Auxiliary sisters during the Spring District meetings. The meetings begin March 18<sup>th</sup> and I am anxious to hear what each Unit and District has accomplished this year and to be able to see many of you again.

We are so excited to announce that Mary Davis, our National President from the state of Washington, will be visiting our state April 23, 24 and 25. She will arrive in Rapid City on the 23<sup>rd</sup>; we are finalizing details for her visit and will share them with all of you once they are completed. Please start to make plans to attend at least one of these days to meet President Mary and show her a great South Dakota welcome!

Congratulations to Unit #131, Valley Springs, they were featured on page 48 of the February issue of the Auxiliary magazine. Way to go and keep up the great work! Our membership is going strong, as a department we are at 84% of our goal. Every day we are getting closer to a 100% goal department. Thank you everyone for all you do to promote our organization.

We will continue to spotlight the Strategic plan, look for updates as we review and evaluate our goals and initiatives.

Let us always be mindful of the sacrifices of our veterans and active duty. Supporting them in every way we can, is what we strive to do best every single day, as member of the American Legion Auxiliary. Until next month.....Melanie

### March Prayer

By Shelley Dragoo  
 Dept. Chaplain

When a story gets us all thinking about life and the actions we take, and evolves to an invocation.

#### Peanut Butter Fudge

During Mid-Winter Conference this year, I got to talking to an old friend of mine. We talked about our loves, life, and of course the Legion family.

During our conversation, somehow we ended up talking about peanut butter fudge. He explained that he had a loved-one who sent him fudge in the mail and that he couldn't figure out why sometimes it would come and be this perfect, soft, creamy fudge and how other times it would come and be grainy and hard. I exclaimed, “She stirred the pot.” With that statement, I then went on to explain that when making candy, you cannot stir it while it is cooking or it will sugar. The women around me agreed and my friend smiled and filed that information away, stating, “Well, I would never tell her she shouldn't stir the pot.” I also agreed and we parted ways.

One of the women sitting, listening to our conversation then said with a grin, “You know, there's a life lesson in every new thing you learn.” I smiled and nodded and went on my way. After a few minutes I really began thinking about the whole conversation, and how the woman was right. I began looking at my dealings and meetings and analyzing everything I had been involved in the last month or so. Had I done everything I could to make sure those things turned out for the right reasons, or had I stirred the pot, and left things upturned?

How about you? Have you stirred the pot?

**Highest Good**  
 Dear God,

Bless me with right answers and inspire me to take proper action.

I will only use the wisdom I receive from you in ways that are beneficial to others and myself.

The way to my highest good is made clear by your perfect love. With abiding faith, I pray, Divine love instills wisdom within me.  
*In Jesus Christ's name, Amen*

### Membership Drive

The Pierre Unit 8 membership drive during Crazy Days over the Martin Luther King holiday weekend. They spent 4 days with a booth space at the local mall, talking about the ALA organization, signing up new members, refreshing friendships with current members, and of course, grabbing a picture or two of members hugging those veterans for whom are so thankful! 7 new members were signed up during the campaign and another 7 renewals were sent in the week following!

### A Valentine Day to Remember

In December, the 2nd grade students at Pinedale elementary in Rapid City colored and wrote Christmas cards for the Veterans hospital in Hot Springs. The Veterans were so touched by their efforts, that they took up a collection to give back to these kids. On Valentine's Day, during the Week of Salute to Hospitalized Veterans, all 3 classes of the 2nd grade were treated to a pizza party courtesy of the Veterans. The weather was unseasonably warm and they had a great party outside. What an inspiring story of a "full circle" of respect and love.

**South Dakota Midwinter Convention 2017**  
**Workshops**

The South Dakota Midwinter Convention was packed with information and ideas for members to take back to their units. There were many interactive workshops and projects. The resolution workshop reviewed the differences between a motion and a resolution; the membership workshop engaged the participants in skits with props to mimic possible situations; leadership focused not only on where to find information but gave a great idea to promote civility. Do you have three pennies? Have them ready in your left pocket; every time you say a kind word, do or help someone without any solicitation, move the penny to the right pocket. By the end of the day, the goal is to move all pennies. The Juniors provided the military children's table ceremony to remember those who don't have a parent in their life because of deployment. Socks of Love were assembled with school supplies, toiletries, or snack to give school children in need of some basic items. And who wants to give a prayer pillow to the veterans at the VA or in local nursing and healthcare facilities? Check the website for instructions under the Chaplain link.

### South Dakota Midwinter Convention 2017

A few pictures of the convention.: the Juniors were instrumental with their creative ways to decorate and making each member welcome; membership awards for goal units with 100% membership and sometimes more; our oldest auxiliary member in attendance, a WWII veteran who embraced the activities; group pictures of members sending a heart for Valentine, a national challenge, and the fun fashion show taking all the members across the history of the American Legion Auxiliary. The Northwest Division National Vice President Virginia Nelsen participated in all events!
